APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.03125 cubic feet per second.

Actual construction work shall begin on or before July 1, 1939

Proof of commencement of work shall be filed before August 1, 1939

Work must be prosecuted with reasonable diligence and be completed on or before July 1, 1941

Proof of completion of work shall be filed before August 1, 1941

Application of water to beneficial use shall be made on or before July 1, 1942. Proof of the application of water to beneficial use must be filed with State Engineer on or before August 1, 1942.

NOV 4 1938

WITNESS MY HAND AND SEAL this 21st

Corrected _____ because of failure
of applicant to comply with the provisions of permit

of November 1938

Alexander S.
State Engineer.
